ST. JOHN FISHER COLLEGE RETIREMENT PLAN**

**SUMMARY OF
MATERIAL MODIFICATIONS**

**I
INTRODUCTION**

This is a Summary of Material Modifications regarding the St. John Fisher College Retirement Plan ("Plan"). Unless stated otherwise, the modifications described in this summary are effective as of as soon as administratively feasible. This is merely a summary of the most important changes to the Plan and information contained in the Summary Plan Description ("SPD") previously provided to you. It supplements and amends that SPD so you should retain a copy of this document with your copy of the SPD. If you have any questions, contact the Plan Administrator. If there is any discrepancy between the terms of the Plan, as modified, and this Summary of Material Modifications, the provisions of the Plan will control.

**II
SUMMARY OF CHANGES**

1. Termination of Employment - Mandatory Distribution

If you terminate employment, and the value of your vested benefit does not exceed \$5,000, then a distribution will automatically be paid to you even if you do not consent. Such distribution will be paid to you within a reasonable period of time after your termination of employment. See the question entitled "How will my benefits be paid to me?" for an explanation of how these benefits will be paid.

Treatment of "rollover" contributions for consent to distribution. In determining if the value of your vested account balance exceeds the \$5,000 threshold used to determine whether you must consent to a distribution, your "rollover account" will not be considered as part of your benefit.

2. Automatic IRA Rollover of Certain Account Balances

If a mandatory distribution is being made to you before the later of age 62 or Normal Retirement Age and your vested account balance does not exceed \$5,000 (disregarding any rollover contribution), the Plan might distribute your vested portion in a single lump-sum payment. However, you may elect whether to receive the distribution or to roll over the distribution to another retirement plan such as an individual retirement account ("IRA"). At the time of your termination of employment, the Plan Administrator will provide you with further information regarding your distribution rights. If the amount of the distribution exceeds \$.01 (including any rollover contribution) and you do not elect either to receive or to roll over the distribution, the Plan automatically will roll over the distribution to an IRA. The IRA provider will invest the rollover funds in a type of investment designed to preserve principal and to provide a reasonable rate of return and liquidity (e.g., an interest-bearing account, a certificate of deposit or a money market fund). The IRA provider will charge your account for any expenses associated with the establishment and maintenance of the IRA and with the IRA investments. In addition, your beneficiary designation under the Plan, if any, will not apply to the rollover IRA. The IRA's terms will control in establishing a designated beneficiary under the IRA. You may transfer the IRA funds to any other IRA you choose.
